This scheme is competitive and will be evaluated by a board of sectorial experts according to established criteria.

As specified above, each criterion is allocated a number of specific marks. In order to be considered for funding, projects have to obtain an average of at least 60 marks.

Nevertheless, the evaluation session and funding decisions depend on the quality of the submitted proposals and on the availability of the funds. Therefore, obtaining 60 marks or more does not

automatically mean that you will be awarded the funds. The Evaluation Board may decide not to allocate the total funds available for a particular call if the proposed projects do not reach the required level in terms of the fund criteria.

Eligible applications will be assessed by an evaluation team selected by Malta Arts Council on the basis of their professional experience. The Council will select evaluators on the basis of their independent and professional experience. The evaluators will present an assessment on each of the proposed projects, indicating the relevant ratings awarded.

6.1 Communication of results

On the day indicated on page 2, you will receive your result notification from Arts Council Malta. Together with the covering letter, we will also attach a copy of the evaluation form, indicating the reasons and marks leading to the Evaluation Board's decision, according to the fund criteria.

The order of classification of the projects, according to the marks allocated by the evaluators, will be published online. Only the names of the successful projects will be published. In the case of projects which have not been awarded any funds, only their reference number will be published.

If you have any difficulties concerning your results, kindly email us on fundinfo@artscouncil.mt within five (5) days of receiving your funding decision.

No information on the evaluation process will be released before the official result notification. Any form of soliciting will automatically disqualify an application.

All information received by the Fund administrators, managers and evaluators will be considered confidential, both during and after the evaluation process. Provisions on data protection and confidentiality for successful projects will be included in the grant agreement.

7. Project implementation and monitoring

Beneficiaries must provide full documentation to support the application and budget plan within 30 days from receipt of the notification letter. Arts Council Malta will accept a variation of up to 5% from the proposed total cost. The contingency indicated in the budget plan will support any variations from the proposed total cost. Under no circumstances will the Council be in a position to increase the grant awarded.

Upon provision and approval of the above mandatory documentation, a contract specifying the conditions of the fund will be signed. The grant may only be awarded upon completion of the above process within the established timeframe.

70% of the total amount allocated by the Evaluation Board will be processed after the signing of the contract. The remaining 30% will be disbursed after the submission of the final report by the beneficiary, following approval by the Council.

The beneficiaries must use the Council's logo on all related material and specify that the project was supported by the grant as follows: **Supported by Arts Council Malta**, in all marketing, PR and printed

material. The grant received must be used solely for the purpose for which it was awarded, in line with the submitted proposal and the contract.

Beneficiaries must notify the Council immediately if changes affecting the nature of the project take place during implementation. Changes cannot be implemented unless approval is received. The Council reserves the right to revise or withhold the final payment if the change in the project is not considered to be in line with the initial proposal or if the Council is not informed of the changes within a reasonable time.

Beneficiaries must make themselves available for visits and communication with the Council's representatives for monitoring purposes, both during the implementation of the project as well as after its completion.
