Nevertheless, the evaluation session and funding decisions depend on the quality of the submitted proposals and on the availability of the funds. Therefore, obtaining 60 marks or more does not automatically mean that you will be awarded the funds. The Evaluation Board may decide not to allocate the total funds available for a particular call if the proposed projects do not reach the required level in terms of the scheme criteria.

Eligible applications will be assessed by an evaluation team selected by Arts Council Malta on the basis of their professional experience. The Council will select evaluators based on their independent and professional experience. The evaluators will present an assessment on each of the proposed projects, indicating the relevant ratings awarded.

6.1 Communication of results

On the day indicated on page 2, you will receive your result notification from Arts Council Malta. Together with the covering letter, we will also attach a copy of the evaluation form, indicating the reasons and marks leading to the Evaluation Board's decision, according to the scheme criteria.

The order of classification of the projects, according to the marks allocated by the evaluators, will be published online. Only the names of the successful projects will be published. In the case of projects which have not been awarded any funds, only their reference number will be published.

If you have any difficulties concerning your results, you should email us on fundinfo@artscouncil.mt within five (5) days of receiving your funding decision.

No information on the evaluation process will be released before the official result notification. Any form of soliciting will automatically disqualify an application.

All information received by the scheme administrators, managers and evaluators will be considered confidential, both during and after the evaluation process. Provisions on data protection and confidentiality for successful projects will be included in the grant agreement.

7. Project implementation and monitoring

Beneficiaries must provide full documentation to support the application and budget plan within 30 days from receipt of the notification letter. Arts Council Malta will accept a variation of up to 5% from the proposed total cost. The contingency indicated in the budget plan will support any variations from the proposed total cost. **Under no circumstances will the Council be in a position to increase the grant awarded.**

Upon provision and approval of the above mandatory documentation, a contract specifying the conditions of the scheme will be signed. The grant may only be awarded upon completion of the above process within the established timeframe.

70% of the total amount allocated by the Evaluation Board will be processed after the signing of the contract. The remaining 30% will be disbursed after the submission of the final report by the beneficiary, following approval by the Council.

The beneficiaries must use the Council's logo on all related material and specify that the project was supported by the grant as follows: **Supported by Arts Council Malta**, in all marketing, PR and printed material. The grant received must be used solely for the purpose for which it was awarded, in line with the submitted proposal and the contract.

Beneficiaries must notify the Council immediately if changes affecting the nature of the project take place during implementation. Changes cannot be implemented unless approval is received. The Council reserves the right to revise or withhold the final payment if the change in the project is not considered to be in line with the initial proposal, or if the Council is not informed of the changes within a reasonable time.

Beneficiaries must make themselves available for visits and communication with the Council's representatives for monitoring purposes, both during the implementation of the project as well as after its completion.

9. Applicability of State Aid rules

9.1 State Aid rules applicable for undertakings that carry out an economic activity within the meaning of Article 107 TFEU

The State Aid scheme will be implemented in line with the provisions of Commission Regulation (EU) 2023/2831 of 13 December 2023 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to *de minimis* aid.

This Regulation applies to aid granted to undertakings in all sectors, with the exception of:

- (1) aid granted to undertakings active in the primary production of fishery and aquaculture products;
- (2) aid granted to undertakings active in the processing and marketing of fishery and aquaculture products, where the amount of the aid is fixed on the basis of price or quantity of products purchased or put on the market;
- (3) aid granted to undertakings active in the primary production of agricultural products;
- (4) aid granted to undertakings active in the processing and marketing of agricultural products, in one of the following cases:
 - a. where the amount of the aid is fixed on the basis of the price or quantity of such products purchased from primary producers or put on the market by the undertakings concerned;
 - b. where the aid is conditional on being partly or entirely passed on to primary producers;
- (5) aid granted to export-related activities towards third countries or Member States, namely aid directly linked to the quantities exported, the establishment and operation of a distribution network or other current expenditure linked to the export activity;
- (6) aid contingent upon the use of domestic goods and services over imported goods and services.

The total amount of *de minimis* aid granted to a single undertaking shall not exceed the amount of €300,000 over any period of three years. This period is assessed on a rolling basis.

This maximum threshold would include all State Aid granted under this aid scheme and any other State Aid measure implemented in line with the *de minimis* rule including that received from any entity other than Arts Council Malta. Any *de minimis* aid received in excess of the established threshold will have to be recovered, with interest, from the undertaking receiving the aid.

The rules on cumulation of aid as outlined in Article 5 of the *de minimis* Regulation will be respected.

Applicants are to submit a *de minimis* declaration indicating any other *de minimis* aid received or applied for during the previous three years. This will ensure that the total amount of *de minimis* aid granted to a single undertaking under the *de minimis* rule will not exceed the *de minimis* threshold over the applicable three year period.

Should a successful applicant not be eligible to receive *de minimis* aid, the said applicant will be deemed ineligible and the next ranked applicant will be awarded.

In line with the *de minimis* State Aid Regulation, records regarding *de minimis* aid shall be maintained for 10 years from the date on which the aid under the scheme is granted.

Publication in Central Register

In line with Article 6(1) of the *de minimis* Regulation, as of 1 January 2026, information on *de minimis* aid granted under this scheme shall be made publicly available in a central register.

The following information shall be made public:

- the identification of the beneficiary,
- the aid amount,
- the granting date,
- the aid instrument, and
- the sector involved on the basis of the statistical classification of economic activities in the Union ('NACE classification').

Applicants that do not carry out an economic activity within the meaning of Article 107 TFEU may apply for the scheme. Applications for proposed projects that do not give rise to an economic activity within the meaning of Article 107 TFEU may also be submitted for funding.

In both cases, the rules outlined in Section 9.1 will not be applicable.
